

Cruz de Alba

D.O. Ribera del Duero

A modern red wine that reflects the essence of a terroir and respect for nature.

VARIETY

100% Tempranillo.

THE 2018 VINTAGE

The 2018 vintage showed the regularity and typical rigor of the area: a cold winter caused an early spring, which allowed us to do the tasks that were necessary at those times in the vineyard, with comfort and efficiency. A dry and warm summer gave way to a pleasant September, with some storms that hold the grape in the vine until October 11th when the harvest finally began.

ELABORATION

Lucero is a wine of traditional elaboration, based on the preservation of the personality of our vineyard. Freshness, acidity and the fruit that characterizes it, maintained with a short fermentation at low temperatures, 24°C, in stainless steel tanks, and with a subsequent step of aging for 6 months in new 225-liter French oak barrels.

TASTING NOTES

With an deep layer and intense red color mixed with violet edges, it shows its youth, with an elegant, fruity, fresh and tasty mouth, followed by a light sensation of clean and noble wood, with a pleasant finish and good character.

PAIRING

Due to its smoothness and structure, this wine can be the perfect accompaniment to all kinds of cheeses, tapas, sausages and white meats.
